Quality Association for All-Glass Showers (E.V.)

Quality mark for individual glass-enclosed showers

RAL-GZ 657

For the shower door hinge range **Juna®**

Developed and designed by Bohle, the Juna® shower door hinge combines aesthetics and functionality with quality and 'Made in Germany' craftsmanship. Minimal gaps and the concealment of all screws emphasise the high quality of this swing door hinge. The material from which Juna® is made is also a testament to its high quality.
